

Hi-Tech™ Directory

Evacuation Instructions and Campus Map

In Case of Fire

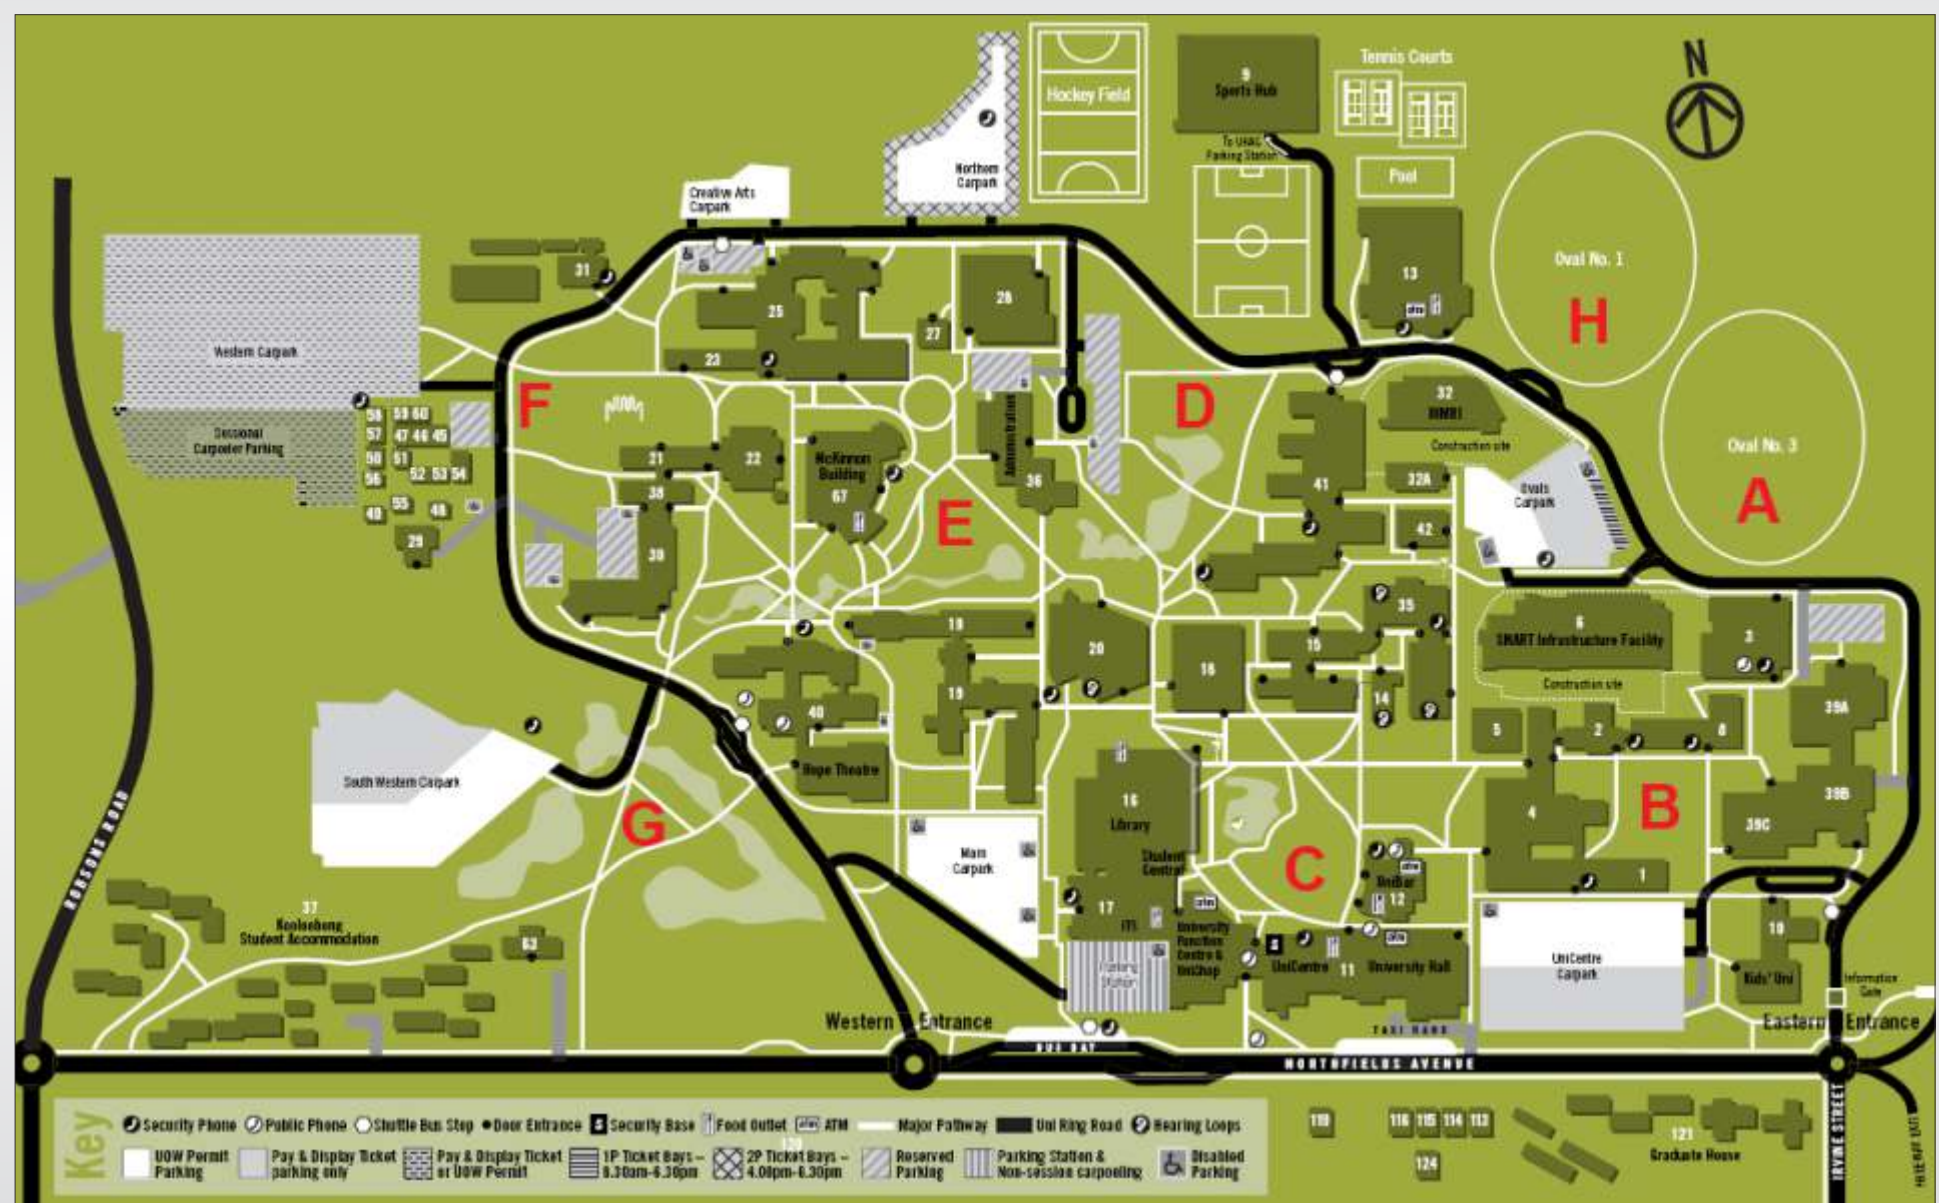

R Rescue and relocate anyone in immediate danger.

A Alert others by activating the building fire alarm.

C Continue the emergency by closing the doors.

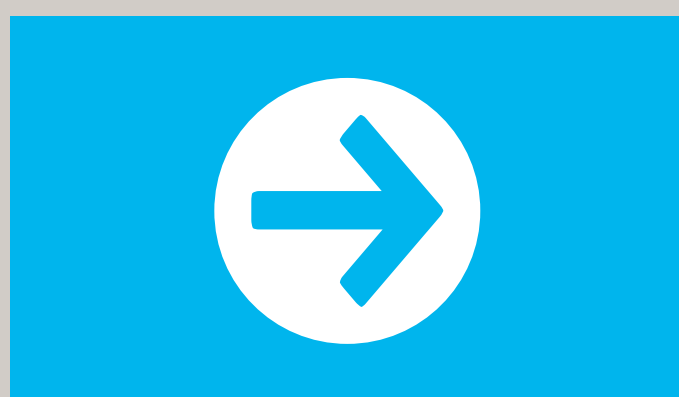

E Evacuate immediately. Do use elevators. Use stairs.

Hi-Tech™ frames are a dynamic curved modular sign system with a popular, contemporary look.

The Hi-Tech™ system features three edge treatments: round, square, and ellipse, as well as a curved face option.

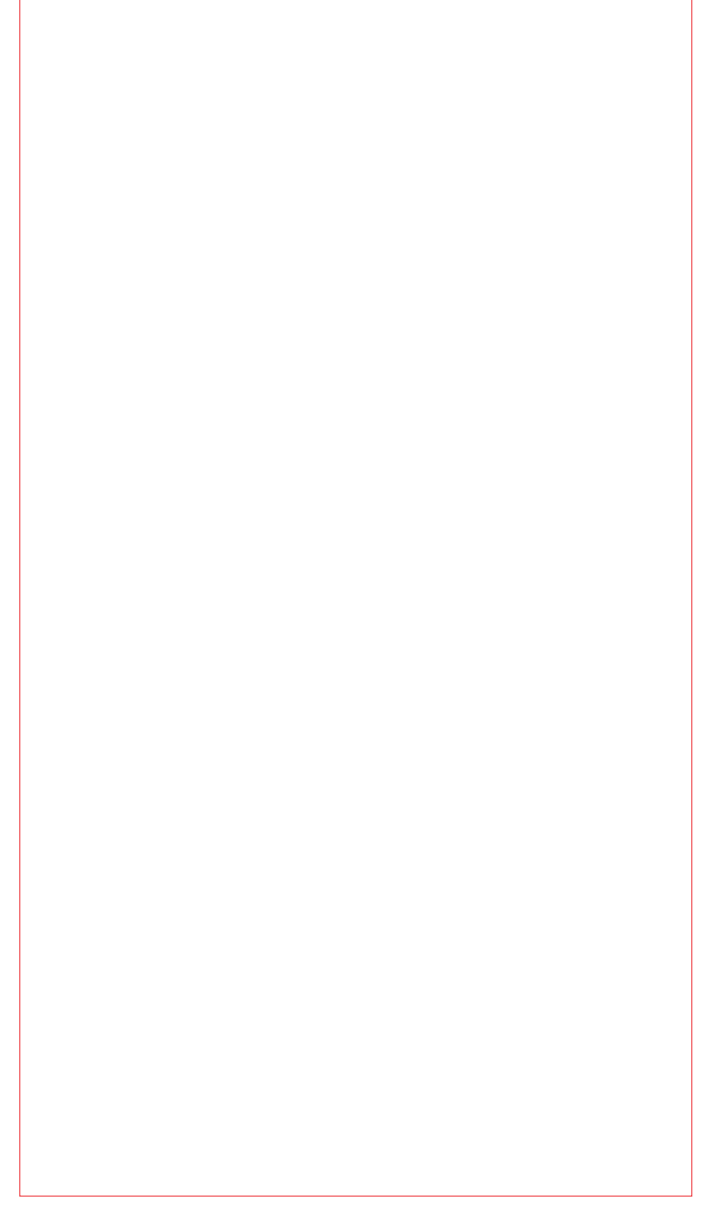

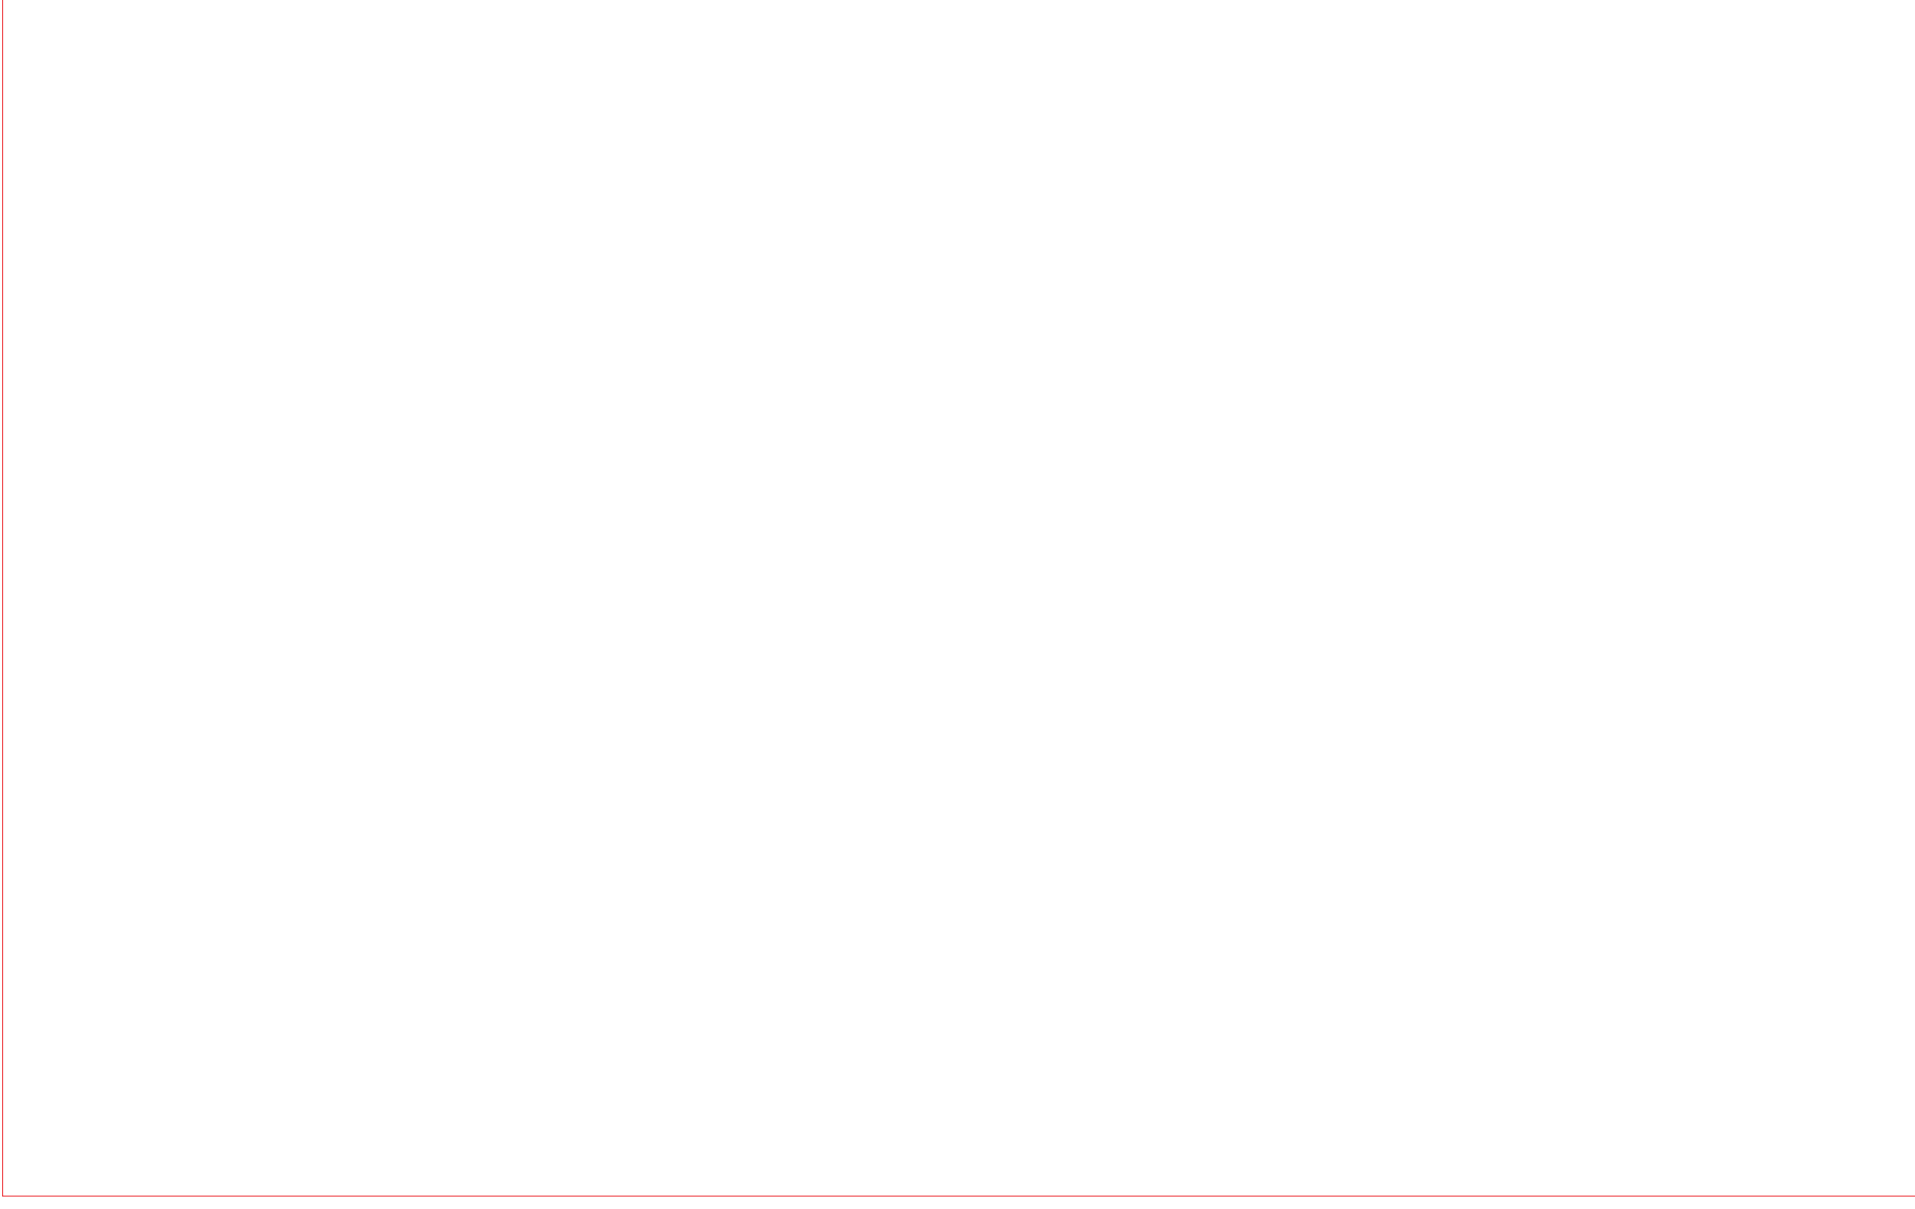

Hi-Tech™ frames can be finished with synthetic end caps, or as an all aluminum look when used with the slim edge directory profiles.

The Hi-Tech™ system can also be configured as a double-sided (multi-level) curved suspension or flag mounted system.
