

CLEARPATH
SIGNAGE SYSTEMS®

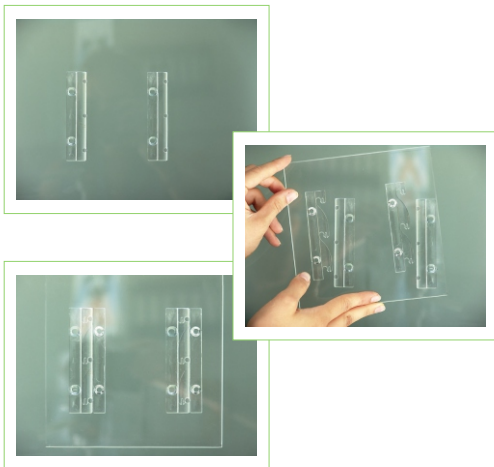

Panel Connector™

FISSO®

Panel Connector™ is an interlocking, slide-in rail system used for sign and picture mounting installation. Signs and materials can be snapped in place quickly and changed as needed.

Features:

- » Material: clear polycarbonate
- » Indoor and outdoor weatherable
- » Installation methods: VHB tape, liquid glue, screws or silicone (only use VHB tape and glue for indoor applications)
- » Recommended load per piece: test each installation application individually
- » No holes required in signage substrate
- » Sold in packs of four sets
- » Assembly kit included

| Height | Width | Item Code |
|--------------------|--------------------|-----------|
| 2.36" [60.0 mm] | 1.18" [30.0 mm] | FPC20100 |
