

## ClearPath's Exterior™: The Better Post and Panel System

•ClearPath's Exterior™ is the better post and panel option on the market today, featuring endless design possibilities with a variety of stackable, outdoor weatherable parts.

•Create completely different looks with 6 panel height options, 2 post diameter options and 3 insert thickness options.

•Stack numerous flat panel profiles in place for vinyl or paint applications.

•Use box profiles to insert a variety of material substrates, from Rowmark engravables to sheet metals to digitally printed substrates!

•Cut down assembly time significantly from your typical post and panel! Installation is quick and easy with ClearPath's "above-grade" steel bases.
