

## metro™

single panel stand-offs

ClearPath offers high-quality Metro Stand-Offs, the perfect compliment to any interior architectural design. Whether the look is contemporary or classic, Metro Stand-Offs enhance interior signage while working in concert with your overall design theme.

Featuring a sturdy single-panel support system, Metro Stand-Offs are ideal for informational and directional signage, room identifiers, display panels, and other decorative applications.

Sold in sets of four with screws, drywall anchors and easy installation instructions, Metro Stand-Offs are available in a wide variety of colors and finishes.

Stainless steel stud extenders are sold separately in packs of 4. These 3/4" - 1" [20 - 25 mm] stainless steel studs allow Metro stand-offs to securely hold thicker substrates.
